

# BALANCEDYOU

## Mindfulness

### Summer 2024 Schedule

Mindfulness is the practice of being present and fully engaged with whatever we're doing at the moment—free from distraction or judgment. It's a proven method to reduce stress, improve focus, and enhance overall well-being. Balanced You is thrilled to announce an exciting new partnership with mindfulness providers CuriosityBased and SolJoy. This collaboration is part of our ongoing commitment to support the well-being of our employees.
